

Do You Need Help Shovelling Snow? ❄️

If you are unable to shovel due to **age, medical reasons, physical limitations, or any other circumstance**, we're here to help!

Our volunteers are happy to assist with snow removal to help keep you safe this winter.

Volunteers Always Needed!

Our client list continues to grow, and we're always looking for helping hands.

✨ *Students are encouraged to apply — volunteer hours may count toward graduation requirements.*
